

## 2019-20 and 2020-21 SCHEDULE OF ACIUCN MEMBERSHIP DUES

The 2019-2021 ACIUCN membership dues were approved by the ACIUCN Membership at the 2018 Annual General Meeting.

It is important to note that ACIUCN membership dues are separate from the dues paid for global IUCN membership. They are specifically to facilitate the work of the Australian National Committee in Australia to add value to your IUCN membership and to seek to contribute within Australia towards the global IUCN mission *"to influence, encourage and assist societies throughout the world to conserve the integrity and diversity of nature and to ensure that any use of natural resources is equitable and ecologically sustainable."*
